Re: Docket No. 00P-1439

Dear Mr. Matheson:

This is to acknowledge your letter of September 19, 2000, requesting that your temporary marketing permit of September 7, 2000 be amended to include additional products. In addition to the products mentioned in your permit, you are requesting permission to test market H.T. Traders (Harris Teeter) Iceberg Water 1 liter and H.T. Traders (Harris Teeter) 11.9 fl oz sizes.

The agency is granting an amendment to the permit of September 19, 2000, permitting the marketing of the additional test products cited above. All other conditions of the temporary permit remain the same.

While this permit is in effect, the Food and Drug Administration will refrain from recommending regulatory action against shipments of H.T. Traders (Harris Teeter) Iceberg Water 1 liter and H.T. Traders (Harris Teeter) Iceberg Water 11.9 fl oz covered by this permit on the grounds that the food fails to comply with 21 CFR 165.110.

Sincerely yours,

for Christine J. Lewis, Ph.D.
Director
Office of Nutritional Products, Labeling
and Dietary Supplements
Center for Food Safety
and Applied Nutrition
